- (2) Overlapping tariff periods, discounts etc, complicate the total tariff; the computer system will make the correct final total calculation for you (verify it manually if necessary).
- (3) Deposits are to be equal to at least the first night's tariff (more for long term bookings). Credit card details must be taken. Your initials must appear in each booking's notes.
- (4) There is provision for one vehicle per site. Additional vehicles may be allowed if they fit completely onto the site without encroachment onto the road or onto an adjacent site.
- (5) **The rates specified in any tariff period also apply for public & school holidays falling within that tariff period.**
